MAN SHOT DURING STRUGGLE WITH POLICE

A Milwaukee Police Sergeant and a Police Officer shot a 32-year-old man during a struggle Monday, August 14, 2006. The man is in critical condition at a local hospital but his injuries are not believed to be life threatening.

At 9:54 a.m., the Sergeant and an Officer were sent to a report of an entry in progress at a home in the 4200 block of N. 19th Street. The 911 call came from a resident inside that house.

When police arrived, the occupants of the house were waiting in front while officers checked the residence for any suspects. When the house was deemed clear, the Sergeant and Officer entered with one of the residents to check for any damage done during the attempt entry. While in the rear of the residence, a resident spotted a vehicle in the alley and identified a passenger believed to be a suspect in the attempt entry.

The Sergeant and Officer approached the vehicle and removed two females who were seated in the front. As the Officer attempted to remove the male suspect from the vehicle a struggle ensued and both the Officer and the Sergeant discharged their weapons. Neither was injured in the incident. The two females, ages 45 and 51, are being interviewed by police. The shooting happened about 10:29 a.m.

The Milwaukee Police Department members involved in the shooting incident are a 45-year-old female Sergeant with 20 years of service and a 33-year-old Officer with 11 years of service. They are both assigned to District 7.

The incident is under investigation by the Milwaukee Police Department and the Milwaukee County District Attorney's Office. As is standard operating procedure, the Sergeant and Officer were placed on administrative duty pending the completion of the investigation.
